Honorong, September 25rs, 1894. TEE Committee of the China Association on learning that a new treaty had been concluded with Japan, took stops with a view to securing for those interested an opportunity of expressing their riews upon it before ratification, being under the impres- ments of the Nippon Ginko and the Specia she was discovered coming in through the fog sion that there was still time. With this Bank. object they addressed Lord KIMBERLEY. Secretary of State for Foreign Affairs, on the 10th August. As a matter of fact the treaty Many British residents of Yokohama, say the Pivoli favourite, who helped to break the record. had already been ratified at that time by Tokyo papers, are attempting to interest his Miss Plaisted went away about two months ago Great Britain and the formal exchange of ment of the new treaty. ratifications took place at Telyo on the 25th of the same munth. The Association, however, having no idea that the matter was so far advanced, say in their letter to the noble a water-logged boat in a daugerous position, and lord, "Noting, with relief, the statement pensate them for the loss of their boat. "that the Treaty is still subject to ratifica-"tion, the Committee trust that an oppor-"tunity will yet be afforded them, as re- clothing and jewellery to the amount of \$5.30 a tain Ward and Chief Engineer F. C. Hellend "presentatives of the British communities "in Japan, of considering, the provisions The prisoner was an old good bird, and he ad-"which are intended to govern our future | mitted several previous convictions. "political and commercial relations with "that country;" and they go on to urge per ton to over 9 yea per ton; and dealers are some objections to treaty revision. To this a reply was received in which the following prohibiting the expert of coal is expected. The Wodehouse, T. Sercombe Smith, Markham, 1877. A copy of the note had been attached to sentence occurs :- "You will readily under-"stand that before the ratification and "subsequent publication of the treaty Lord "KIMBERLET would not be justified in en- dents in Kerea. Properly accredited correspond mously adopted commented on the antisfactory any rate as far as 1866, because they had receipts "tering upon a discussion of its principles." The Committee thereupon ssued a circular letter addressed to the various Chambers of Commerce in which they "trust that they " will have the support of your Chamber "asking that the new trusty should not without consulting those "who will be affected by its provi August, and making allowance for the difference in local time may be said to have exchange of the ratifications at Tokyo on 25th. It would have been only courteous on the part of Lord Kimbertax to have informed the Committee, in his letter of the 16th August, that the British ratification was at that time on its way to Tokyo and so have saved the Association entering on useless agitation. As the Committee say in

been ratified and discussion is useless. It is worth while, however, to note the partially destroyed in considerable. In Enima contention of the China Association that persons were crushed to death, 18 injured, 65 treatios of this kind should be submitted for houses demolished. 62 partially so, 21 vessels the consideration of those most inmediately interested before they are intified. creditors' assignee of Messes. Russell and Co.'s largely recognised in the law of real property; estate for leave to expange a proof of debt tendered by Ng Chun Man for \$200,000. Mr. Ellis (Mr. V. H. Deacon's office) appeared for the creditors' assignee and Mr. H. L. Denuys for the creditor.

Mr. Ellie, addressing his Lordelip, said that he first wished it to be understood that this application was made in no hostile spirit. The creditors' assignee represented the interests of the whole body of creditors and it was his duty to son that no claims were admitted for dividend which were not strictly in order, and it was his daty to satisfy himself that the person proving his was the actual oreditor to whom the amount might be due. Before going into any arguments on the legal points which would be ruised; he wished to know whether Mr. Dennys intended to admit that the case was governed by the law

Mr. Deanys replied that he was not propared to admit snything, because it was probable that very complicated questions would, at a aubaequent stage, arise. His Lordship requested Mr. Ellis to state the

facts of the case before proceeding to deal with any legal questions. Mr. Ellis said that a claim had been put in Mr. Dennys's client for \$200,000 in respect of a at the Pavilion. Mr. A. J. Leach presided, and promissory note. That promissory note pur-Lockbart, Captain Humsey, Messes H. E. lin Centon and bore date February 15th.

His Lordship asked whether the note was not a renewal of an older one. Mr. Ellis said that such was the case. Mr. Dennys' said the old note went back at

His Lordship-The first question to decide is. who is the real holder of the note? Mr. Dennys -- My client says that he is. this Lordship-Did he give the money in 1866.

Mr. Dennyst-No, my lord, but he is the real holder of the note. The note was renewed in and Col. Robinson. ### THE-AMERICAN MAIL.

Her Majesty's soldiers and sailors. (Hear.)

The P. M. steamer China, with the American mail of the 28th ult., arrived yesterday. The following telegrams are from our San Francisco exchanges :-LONDON CLUBDOM STIREED BY THE SEQUEI

TO THE "VALKYRIE" ACCIDENT. LOSTON, 18th August.

A cable dispatch from London to the Herald says;-There is quite a story behind the black balling of the owner of the Satanita, A. D. Clarke, last week by members of the Royal Yacht Club squadron after being proposed by the Prince of Wales. The story dates from the collision of the Vulkyrie and the Saturita on the Olyde. In which the former was sunk. Lord and Lady Lennox were on board the Valkyris at the time of the collision and Lady

Lennor was much prostrated by the accident she barely getting off with her live. Lord Lendox and her ladyship are prominent

both were fitted out in the way of clothing for ducts supposed to date from Solomon's reign, and a month's cruise. a month's cruise. Lady Lennor brought with her valuables of great worth, many being priceless on account of baing family relies. Mr. Clarke, the owner of the Saturata, offered to pay full value for all-

they lost, but without prejudice, so that such a remarkable results. It consists morely of an ornettlement should not be any way used as evidence against him in case of a suit either by Lord Dunraven or any one-else.

with Mr. Clarke, but thought the without prejudica clause hardly proper, as in case of litigation for the loss of the Vallegrie, it might be have been clearly transmitted ten calles. prejudicial to the Vallyrie's interest. Lady Leunox talked with all the leading vachtamen, it is said, and prominent moustars of the Royal Yacht squadron, and so convincing in official circles by a murder committed here towas her argument that she won over to her day. M. Buissel, scoretary to the Police Comside enough of the leading society swells of the missary, while entering his house, was shot by club to accomplish Mr. Clarke's defeat, which an unknown man. Very few people were in at the club's meeting when Mr. clarke's name by an anarchist. was asted on, but he declined positively to take any part whatever, leaving the members free, so far as he was concerned, to act for themselves. It was generally supposed that Mr. Clarke tion of American tribunals that when a husband would be admitted to membership, and no one and wife are drowned in the same disaster the wife was more surprised at the action of the club dies first. The Russian doctors have testified members than the Prince of Wales. He took it unanimously that a man, would be the first to sumewhat in the light of an insult, and when he die, because a woman is more agile and keeps found out how it was brought about he consider- herself longer above water. ed that differences between personal acquaintances were bardly spfficient for a club to take part in and reject an application for membership. The black balling of Mr. Clarke is looked, for the Exhibition of 1900 a monster telescope, dom and society circles. On all sides however. there is great sympathy with the owner of the 2,000,000 france toward the cost Satanita, who is a public spirited yachi man.

BIGNALLING AT BEA. LONDON, 26th August. The British Government is testing a new plan for signalling at sea which ma already yielded dinary gong fastened to the bow of a ship below the water line. This acts as a transmitter and the receivers are g mas of exactly similar tone Lord Louner refused to accept this proposi. and rate of vibration, one on each side of the tion, though Lord Dunraven in part agreed ship below the water-line. The receiving gong with Mr. Clarke, but thought the without pre- will take up and reproduce the sound of the sound. ing gong from a long distance. Already signals

- MYSTRUIOUS MURDER. MENTONE, 26th August: Considerable excitement has been occasioned came in the way of a great surprise to many of the vicinity of the house at the time, and the the members who were favourable to the owner murderer made his escape numbered. It is of the Satanita. Lord Dunraven was present supposed that the shooting was done in revenge

WOMAN'S AGILITY. LONDON, 26th Appust. The Russian courts have reversed the assump.

A MONBIER TELESCOPE. LONDON: 26th August. The proposal to construct as a great attraction upon as a victory for Lady. Lennor over the able to show the inhabitants of the moon. if Prince of Wales and is much discussed in club- there are any, has been revived, and M. Dischoffshein is said to be willing to advance DEATH OF A COMEDIAN.

LONDON. 26th August. George Barrett, comedian, a brother of Wilson

Barrett, is dead. DESTRUCELVE HURBICANE BRUSSELS. 27th August. A hurricane has swept over the district behailstones. Several farmhouses were destroyed and there was a great amount of damage done.

EUDDEN DEATH OF A BARON. Rome, 27th August. Queen Margaret went to the province of

A CONVICTED SOCIALIST ATTEMPTS TO KILL THE JUDGES. Essel (Prossis), 27th August. A most dramatio scene was wilnessed in the local court to-day. A miner named Lodz bad was right shead. The engines were kept going been tried and convicted of insulting an imperial officer at a recent mesting of socialists. The Court sentenced the prisoner to a fortnight's imprisonment. The moment sentence was passed Lodg drew a revolver and fired two shots at the Judges, who fled from the bench in alarm, but Some of the court, officials by this time had regained their presence of mind and Lods was dis-

ATTACK ON A COURT'S HOME Memar (Prussia), 27th August. A serious riot has taken place near the Russian. village of Crottigan. Count Tyszkiewoz, the largest land owner of the district, whose stateau A fresh earthquike shook was experienced yes adjoins the village, distrained the peasant tenents terday at Fanta Caturina. The prople fled in. of their cattle. This so enraged the peasants that a body of 100 armed men with shotguns, ritles and coythe blades marelied upon his country. residence and made a flerce attack upon the Ernest Hussberg, the Dandee jute merobant building, which was stoutly defended by the arrested a month ago on charges of forging bills Count's servants. The latter, after a sharp for £80,000 on the Scotch banks and £.0,000 battle, repulsed the peasants, wounding several

hurt. No lives were lost on either side.
